

FIXWORKS

restoration works

CHOOSING THE BEST

The company was founded on October 4, 2007, and provided its services at many complex and significant facilities in Moscow, St. Petersburg, Astana, Dubai, Berlin, etc.

We were engaged in the preparation of facilities on the eve of such events as Expo 2017 Kazakhstan - The Ritz-Carlton Astana project, Expo 2020 Dubai - Atlantis The Royal Dubai project, 2018 FIFA World Cup - Lotte Hotel Samara project, as well as in renovation of such facilities as Hotel The Ritz-Carlton Moscow, Lotte Hotel Moscow, etc.

FIXWORKS means:

- An international company
- More than 50 competent employees
- Own personnel training system
- Development and implementation of effective technical solutions
- Efficient quality management system (work technique)

Renovation of works.

Maintenance of architectural facilities and other structures for various purposes, except for fundamental reconstructive changes.

Artistic design of architectural facilities. Decorative painting of surfaces, interior and exterior elements.

Artistic imitation of natural materials. Increasing the liquidity and demand for the product by creating textures and bionic forms similar to the original ones.

Restoration of interior and exterior objects. Elimination of damages and defects which were obtained during the operation, as well as the consequences of fair wear and tear.

Installation and manufacturing of various floor and decorative coverings. Laying of all types of flooring, as well as removal, restoration and resurfacing of the existing floor. Manufacturing of solid, parquet and engineered wood from different species of timber.
