**Main page**

Header menu
Logo <u>Maroom</u> - in left side of the screen
From the middle of the screen - <u>About us</u>, <u>Our blog</u>, <u>How to start</u> and <u>Log in</u> buttons

Frame 1
Big wide picture of cozy room with sign on it: "We are renting, controlling payments and condition of the apartments in the long-term hiring" and the button <u>Appraisal for free</u>

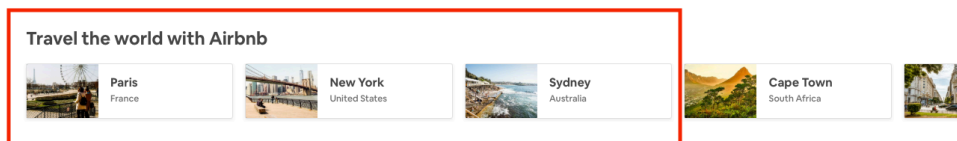

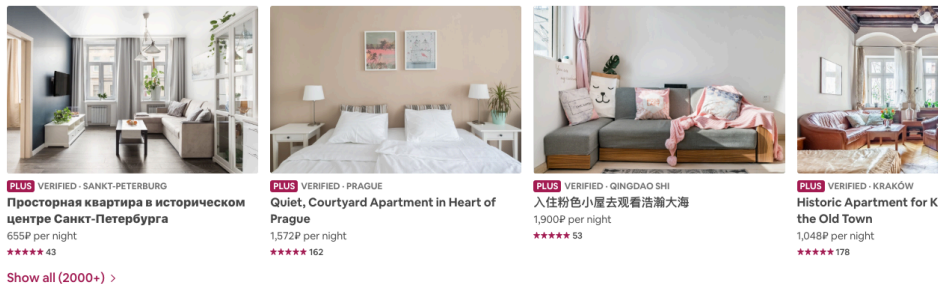

Slightly lower that big picture must be inscription: "You can use our service in"
After that mention cities with small photos 100x75pxl
"Moscow" "Saint-Petersburg(soon)" "Sochi(soon)" as shown in the example

Frame 2
Title "Our current offers"
Tile from current offers
Clean and big wide pictures, four objects in one row and button "See all" under it (or something like that)

There can be several or several dozens of objects, so there should be a slider to scroll objects on current page and a button to see all objects on the new page

Must be available to view multiple images without moving to the page description of the object

Description for object must contain:
number of rooms
flat area in square meters
address (street, house number)
subway station and distance in meters
monthly rental price
commission rate

Frame 3
Title "Will be vacant soon"
Should look similar to Frame 2

Frame 4
Title "All apartments in service"
Should look similar to Frame 2
With button See all of our 67 apartments
